

Dear Judge,

My name is Piroschka Reyes, and I have known Lenny Degnan for 13 years.

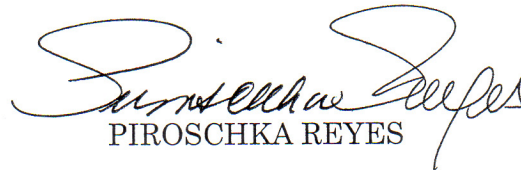

Throughout that time I have formed a positive opinion of him. He has always been responsible, honest, considerate, hard-working and loyal. I also respect him greatly. He has been a huge support for me on my time of trouble.

I have witnessed Lenny as a companion and most important of all as a father. He is a great role model, accomplishing a successful business. I have never heard or witnessed Lenny to be disrespectful to a friend or colleague and as a father he has shown nothing but unconditional love towards his children.

I felt honored to know Lenny and hope this letter will help to show what an outstanding individual Lenny is.

Thank you.

Respectfully,

PIROSCHKA REYES
